STEP 3 VERIFIER INFORMATION

Applicants submitting verification of equivalent training and experience under OAR 918-030-0030(1)(c) must provide verification from the following persons:

- A current or previous employer actively involved with the applicant's work;
- The individual who supervised the work if the current or previous employer is no longer in business, is deceased, or otherwise cannot be located; or
- A co-worker who was directly involved in the work performed, only if both the employer and the supervisor cannot be located. Co-worker verification must be accompanied by supporting documentation, such as employment records, showing that the verifier worked with the applicant and has knowledge of the work performed.

Name of verifier: _____

Address: _____ Phone: () _____

City: _____ State: _____ ZIP: _____

License number(s): _____

Verifier's employment relationship to applicant: _____

Applicant (print name): _____

STEP 4 VERIFIED EXPERIENCE

1. Enter the type of license you are applying for: **LIMITED ENERGY**
2. From license types on Page 3, choose the categories in which you have work experience and enter them under "Category."
(See example, below.)
3. Under "Total hours," enter the hours of work experience in each category. The division will consider no more than 2,000 hours of experience per year. OAR 918-282-0030(4).
4. Enter your specific work duty experience under "Description of duties." If you need more information, see bcd.oregon.gov, "Statutes and Rules," "Oregon Administrative Rules," click on 918-282, then scroll down to the desired license type.
5. Make copies of this page, if needed.
